

CLASS Academy ensures all attempts to gain all background information regarding your son or daughter in order for use to ensure we have a complete permanent file.

The below authorization allows CLASS Academy to contact another placement (if your son/daughter are attending CLASS Academy from another placement and/or their home school district) to request the following records from that facility:

- Immunization Records
- Discipline Records
- Academic Records including but not limited to test scores, grades, academic testing results
- Enrollment Information Forms
- Diagnostic Testing Results (such as the CBCL)

PLEASE SIGN BELOW:

___ I allow my child's previous academic placements to release their records to CLASS Academy

___ I do not allow my child's previous academic placements to release their records to CLASS Academy

Please list any prior (most recent two) placements (please include private and public academic institutions:
